Revision

Collecting information quiz

Matt Jarvis

This quiz relates to the **PSYCHOLOGY REVIEW** Vol. 28, No. 3 article on collecting information from criminal suspects. If you keep both the article and your answers to the questions, you will have a useful revision guide for relevant exam questions.

Part 1

True or false

- | | |
|---|--------------------|
| Traditional police approaches to interviewing have been aggressive. | True [] False [] |
| Confirmation bias reduces the risk of false confessions. | True [] False [] |
| The Reid technique increases the chances of real and false confession. | True [] False [] |
| Police chiefs have been found to believe in pseudoscience about interviewing. | True [] False [] |

Part 2

Multiple choice

The first stage of the Reid technique is:

- a) The written confession
- b) The initial confrontation
- c) Handling the passive mood

Which technique downplays then seriousness of a crime?
