- What does the word 'recommend' mean?
- What was the favourite book that Tess suggested to the children?
- Why did the children run out of the library?
- How did the friends help the children to choose books in the end?
- At the end of the story, what type of book did Asha find for the boy to read?
- Use your own words to describe how the friends tried to help in the library.
- Do you like to go to the library? What is your favourite type of book?
